

Meeting Minutes

Date: August 20, 2008

Attendees:

Board Members Present: Reid Franks, Elmer Treat, Lou Charette, Becky Goodman, Walt King, Steve Muelder

Board Members Absent: Joe Rizzo

Visitors: Linda Bennie, Dave Bennie, Linda Rose and Jim Rose

Decisions:

Agreed on a plan to minimize concerns regarding **tree trimming** along roads

-A notice will be included in the Echo to inform residents of George's schedule for tree trimming. If those residents choose to do their own trimming or weed cutting, they will have sufficient time prior to George's trimming. George will not trim where it has already been done. The road committee will oversee.

The **recycle** committee's recommendations were accepted. They included: two containers would be provided and at no cost to LVPOA; revisit in six months; committee will be a standing committee for ongoing monitoring.

"Minutes" from the meetings will be posted on the back side of the security office and on the Web Site
